

Viking Forest Project

Photo competition "SHOTLEY LIFE"

WHAT IT IS

Whether you're a photographic genius or not, get your camera out and start snapping. Send us your photos of "Shotley Life" (people, activities, events or wildlife) which you think are special to the peninsula. A prize will be awarded for the picture which really captures the flavour of Shotley Life.

The photos will form part of an exhibition over the 'Images' event at Shotley Village Hall on 23rd & 24th April to raise awareness of Golden Wood (belonging to our village).

THE RULES

A maximum of two photos (printed 6"x 4") may be entered. You need to include your **name**, **address** and **contact details** (incl. email) on the reverse. **Original entries only**. If your photo is digital, please keep the file (as high a quality as possible).

The deadline is 25th March 2010. Hand your entries in to Shotley or Shotley Gate Post Office, or the Viking Forest Project contact, Bernard Nichols, at Newhaven, Bristol Hill, Shotley Gate.

For more information, contact Bernard Nichols on 01473 787337
